Middle School

Big Picture: Week 1

When you can't see the bigger picture, remember the impact you have on your family.

Ice Breaker:

Ask these before the discussion questions

1. What do you think about when you hear the words "bigger picture?"

Activity: Reflect & Discussion Questions

What you'll need: Bible

This week the lesson is all about FAMILY, this could be hard to talk about together...or a great opportunity! Take a moment and think through what this discussion should look like for your family. Maybe reach out to members of your community group or your community to join you this week (or throughout the series!)

Read the scripture passage and talk through these:

1. Why is it sometimes hard to see the bigger picture when it comes to family?
2. Who is one person you can talk to about your relationship with your family?

Fill out a piece of paper and think through the following:

- This is how my family feels when I use hurtful words:
- This is how my family feels when I don't do what I'm told:
- This is how my family feels when I only think about myself:
- This is how I can show my family that I love them:
- This is how I can put what's best for my family before what's best for me:

One night Joseph had a dream, and when he told his brothers about it, they hated him more than ever. "Listen to this dream," he said. "We were out in the field, tying up bundles of grain. Suddenly my bundle stood up, and your bundles all gathered around and bowed low before mine!" Genesis 37:5-7 NLT

Think about this:

What's one way I might be causing conflict or tension in my family?

The Parent Cue App is a FREE app that you can use to bring the message home with you on a daily basis. It allows you to watch the weekly Bible story with your child in the comfort of your own home. This app is available both on the Apple IOS Store and the Google Play Store.
